This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

NATIONALIZATION OF COAL MINES

A LIST OF REFERENCES IN THE NEW YORK PUBLIC LIBRARY

COMPILED BY ROLLIN A. SAWYER, JR.

GENERAL WORKS

Bochard, A. L'évolution de la fortune de l'état. Paris: V. Giard & E. Brière, 1910. viii, 334 p. 8°. (Bibliothèque sociologique internationale. [v.] 43.) **TIE**

Le domaine des mines, p. 187–209.

Davies, Emil. The collectivist state in the making. London: G. Bell & Sons, Ltd., 1914. xviii, 267(1) p. 12°. **SEB**

Coal, p. 45–47, 222–223, 227.

Laidler, Harry Wellington. Public ownership throughout the world; a survey of the extent of government control and operation. New York: Rand School of Social Science, 1918. 48 p. 12°. **SEB p.v.55, no. 6**

Public mines, p. 13–14.

Stone, Gilbert. The British coal industry. London: J. M. Dent & Sons, Ltd., 1919. 188 p. 12°. **TAK**

Chapter v, Enquiries and experiences, p. 100–120, deals with nationalization in several countries.

Union of South Africa. — State Mining Commission. Majority and minority reports. 1917. Cape Town: Cape Times, Ltd., 1917. 76 p. f°. (U. G. 19–'17.)

—— Final majority and minority reports, 1916–1918. Cape Town: Cape Times, Ltd., 1918. 40 p. f°. (U. G. 1–'18.)

—— Minutes of proceedings and evidence with appendices. Cape Town: Cape Times, Ltd., 1917. 725 p. f°. (U. G. 6–'17.)

This is the most comprehensive publication on state coal mining. Reports were received from every country in the world which has state mines, except Germany. The report on German mines was furnished by the British government.

AUSTRALIA

The **New** socialism. (Industrial Australian and mining standard. Melbourne, 1919. v. 62, p. 965–966.) **3–†† VHF**

Wade, C. G. Nationalisation in Australia. (Fortnightly review. New York, 1919. v. 106, p. 381–394.) *** DA**

NEW SOUTH WALES

New South Wales. — Parliament. Parliamentary debates. Sydney, 1911–12. v. 41–49. *** SEB**

See index under *Question, State coal mines.*

State coal mines. (New South Wales. Statutes, 1912. Sydney, 1913. p. 803–810.) **XWS**

State mining in New South Wales. (Union of South Africa. — State Mining Commission, 1916–1917. Minutes of proceedings. Cape Town, 1917. p. 698–702.)

QUEENSLAND

A **Queensland** state coal mine. (Australian mining standard. Melbourne, 1906. v. 36, p. 71–72.) **3–†† VHF**

VICTORIA

Coal mines regulations, Victoria. (Australian mining standard. Melbourne, 1909. v. 42, p. 467.) **3–†† VHF**

The **State** coal mine. Victoria. (Australian mining standard. Melbourne, 1910. v. 44, p. 657, 663–664.) **3–†† VHF**

[**State** coal mine, Victoria.] (Australian mining standard. Melbourne, 1912. v. 47, p. 114, 332, 373–374.) **3–†† VHF**

[**State** mining in Victoria.] (Union of South Africa. — State Mining Commission. Final majority and minority reports. Cape Town, 1918. p. 21–23.)

State mining in Victoria. (Union of South Africa. — State Mining Commission. Minutes of proceedings. Cape Town, 1917. p. 694–698.)

Victoria. — Government Statist. State coal mine. (In: Victorian year book. 1910–date.) **SDG**

Gives a brief account each year of work of the state mine.

Victoria. — Legislative Assembly. State coal mine. (In: Parliamentary debates, 1909–10. Melbourne, 1910–11. v. 121–124.) *** SEB**

See references in index to Powlett River coal field.

357154

Australia — Victoria, continued.

Victoria. — Legislative Council. Progress report of the select committee on the state coal mine; together with the minutes of evidence and plan. Melbourne, 1910. x, 77 p. (In: Minutes of proceedings, 1910, p. 207–295.) *** SEB**

Victoria. — Minister of Mines. State coal mine. Statement with reference to the progress report of the select committee of the Legislative Council on the state coal mine. (In: Victoria. — Legislative Council. Minutes of proceedings, 1910, p. 203–206.) *** SEB**

—— —— (Victoria. — Legislative Assembly. Votes and proceedings, 1910. v. 1, p. 933–936.) *** SEB**

Victoria. — State Coal Mines. Annual report. Melbourne, 1910 – date. f°. **3–† VHFA**

Victoria's state coal. (Australian mining standard. Melbourne, 1911. v. 45, p. 5.) **3–†† VHF**

Victoria's state coal mine. (Australian mining standard. Melbourne, 1912. v. 48, p. 371, 395–396.) **3–†† VHF**

Victorian state coal mine. (Australian mining standard. Melbourne, 1909. v. 42, p. 431–432.) **3–†† VHF**

Austria

Austria: nationalization of coal industry. (International review. London, 1919. v. 2, p. 123–127.) **YFXA**

German-Austria: bill for socializing coal industry. (Great Britain. — General Staff. Economic supplement to Review of the foreign press. London, 1919. v. 6, p. 201–203.)

Socialisation of coal and electricity in Austria. (Iron and coal trades review. London, 1919. v. 99, p. 76.) **† VIA**

Socialisation of coal and electricity industries in Austria. (Great Britain. — Labour Ministry. Labour gazette. London, 1919. v. 27, p. 277.) **† TDA**

Socialization measures in Germany and Austria. (United States. — Labor Statistics Bureau. Monthly labor review. Washington, 1919. v. 9, p. 1373–1387.) **TDV**

Belgium

Belgium. — Chambre des Représentants. Projet de loi modifiant et complétant les lois du 21 avril 1810 et du 2 mai 1837 sur les mines. (In: Documents, 1904–05, p. 249–258.) *** SNK**

—— Rapport fait au nom de commission. (In: Documents, 1905–06, p. 237–369.) *** SNK**

—— Discussion générale. (In: Annales, 1905–06, 1906–07.) *** SNK**

These debates extend through two sessions of the chamber, and detailed reference to pages is impossible. See index to each session, Mines.

Belgium. — Sénat. Proposition de loi reservant à l'état des zones dans le nouveau bassin houiller des provinces de Limbourg et d'Anvers. (In: Documents, 1901–02, p. 25.) *** SNK**

—— Proposition de loi apportant des modifications à la législation sur les concessions des mines. (In: Documents, 1901–02, p. 3–6.) *** SNK**

—— Same. (In: Documents, 1902–03, p. 9–10.) *** SNK**

—— Rapport des commissions. (In: Documents, 1902–03, p. 12–114.) *** SNK**

—— Discussion générale. (In: Annales, 1902–03, p. 106–147.) *** SNK**
